

The Shearson Home and Mt. Saint Anne, Percé, Que.

The whole coast seems more
beautiful than ever - &
more spacious as there seem
to be very few "montreal"
tourists to lodge. Dick is
an expert knowledge as in
having a very beautiful
time. Weather quite good -
& fields glorious with large
blisses of clover. Hope all
little ones are looking after
you love, Pie.

Novelty Mfg. & Art Co. Ltd., Montreal
