BUSINESS ARISING OUT OF PREVIOUS MINUTES

FUTURE OF C.O.T.C.

The C.O. stated that various instructions had been received from M.D. No. 4 and Colonel Lawson in Ottawa, and that all recommendations regarding the M.R.T.B. had been approved, viz.-

They were to be treated as a Reserve Unit and provided with uniforms, medical attention, etc. and all members taking the training during the University session, would be allowed to go to camp.

It was felt that although progressive basic training was laid down for three years of University instruction, if the C.O.T.C. was to carry on with instruction in Syllabus "A", it would be necessary to obtain permission for certain M.R.T.B. members who had taken the full training last year, to join the C.O.T.C. this year instead of carrying on with the 2nd Year Basic Training, provided of course they were Officer material.

As regards Special To.Arms training, it would appear that although this might be carried on at the C.O.T.C. in the 3rd year of University instruction, no credit would be given at O.T.C. Brockville for any C.O.T.C. training of this sort.

The C.O. stated that he had asked Colonel Lawson to come to Montreal to check up our Special To Arms training facilities, but had been unable to get him to make the trip.

DEPARTURE MAJOR A. T. FIELD

The C.O. reported that Major Field, O.i/c M.R.T.B. was leaving the C.O.T.C. for London, Ontario, where he was to be appointed 2i/c Mechanics' Trade School. Colonel Morris wished to take this opportunity of wishing him every success in his new appointment, and thanking him for his excellent work and untiring efforts on behalf of the Contingent from the early days of the War. An appropriate resolution was duly proposed, seconded and unanimously carried.

BUSINESS ARISING OUT OF PREVIOUS MINUTES

FUTURE OF C.O.T.C.

The C.O. reported fully on a meeting of Commanding Officers of Reserve Battalions and C.O.T.Cs which had been held at H.Q. M.D. 4 on September 19th. He stated that H.Q. were to run an Officers' Course and that this seemed unnecessary in addition to C.O.T.C. courses.

He also stated that he had informed M.D. 4 that before the C.O.T.C. could undertake any purely C.O.T.C. instruction, candidates must be willing to go Active, and that all the necessary equipment for giving instruction in syllabus "A" should be provided. Furthermore, that candidates trained by McGill and who had passed the examinations for syllabus "A", should be given full credit at the O.T.C. Brockville. All the C.O.s of Reserve Units present were in favour of McGill not

only giving training in Syllabus "A", but in Special To Arms as well, and that a resolution had been moved, seconded and carried unanimously that the McGill Contingent C.O.T.C. be formed into a Royal School of instruction for Officers of Reserve Units in the District. He informed the meeting that he had seen minutes of the above meeting, which had been taken by Major Parker, and that these minutes did not contain anything regarding the above resolution. Lt.-Col. Girard, G.S.O.1. had gone to Ottawa with notes of the results of this meeting, and the C.O. felt that probably Col. Girard would say nothing regarding the resolution.

NEW BUSINESS

OFFICERS FOR M.R.T.B.

Last years M.R.T.B. Officers were now at Brockville and it is not expected that they will return to the Contingent. It is therefore, necessary to arrange for new officers and the C.O. stated that Major Field, Capt. H.S.L. Brown and himself were going into this matter.

AUGUST EXAMINATIONS

The results of the August examinations were reported and showed a very high percentage of successful candidates (100% Infantry Rifle; ~~60~~ ⁶⁷ passed out of ~~67~~ ⁶⁰ Common To All Arms, Etc.).

BUSINESS ARISING OUT OF PREVIOUS MINUTES

FUTURE OF C.O.T.C.

The C.O. gave a resume of his letter to M.D. 4 re the meeting of O.C. Reserve Units held at Headquarters on 19th September.

He pointed out that we intended to run a course for Syllabus "A" which we understood would eliminate the first month of the Brockville Course, except for a certain amount of P.T., Marching, etc.

As regards Special to Arms Instruction it was understood that no credit at Brockville could be obtained for any instruction given by McGill C.O.T.C. Major Parker pointed out that there would be very little repetition of any training given by us at the Special to Arms Course at Brockville.

He stated that McGill would be given the following quota per year for Active Service Reinforcements (Officers):-

7	Armoured Corps
35	Artillery (Mobile)
5	Engineers
5	Signallers
19	Infantry (Rifle)
5	Infantry (Machine Gun)
20	R.C.A.S.C.
20	Ordnance
<u>116</u>	<u>TOTAL</u>

FUTURE OF C.O.T.C. - CONT'D.

He also pointed out that the Reserve Units were very short of Junior Officers and anxious to get them trained in "B" and "C" Syllabi and that they would be able, in due course, to go Active Service via the Reserve.

Major Holland stated that he felt the C.O.T.C. should continue with Artillery (Mobile) training since the War effort would actually suffer if this training were stopped. He stated he had talked to Officers at Petawawa and unless McGill carried on they felt they would definitely have a shortage of Officers there.

After some discussion Major Parker was told that M.D. 4 would be informed very shortly whether the C.O.T.C. could handle training in "B" and "C" Syllabi as well as "A".

NEW BUSINESS

DISTINGUISHING PATCHES

The C.O. stated that he wished to take up the question again of Distinguishing Patches for McGill Cadets. This was necessitated by the fact that the R.C.A.F. Section of the C.O.T.C. would be wearing such Patches to distinguish them from regular cadets of the R.C.A.F.

DAILY LUNCH IN MESS

The C.O. asked Captain G. T. Hyde to go into the question of the possibility of providing a daily lunch for M.R.T.B. Officers and other Officers in the Mess during the University Session as their training hours only give them 40 minutes in which to get their midday meal.

DEPARTURE - Lieut. R. M. Calder

The C.O. pointed out that Mr. Calder was leaving the Contingent for Brockville on the 10th instant and that he hoped as many Officers as possible would be present in the Mess this evening to wish him good luck.

BUSINESS ARISING OUT OF PREVIOUS MINUTES

FUTURE OF C.O.T.C.

The C.O. stated that a letter which he had written concerning "B" and "C" Syllabi had been distributed to all Officers interested; also that the C.O.T.C. would run their own Courses for this Syllabi and not M.D. 4 as had been previously stated.

He reported that he had seen Colonel Magee on the 14th instant who had told him that some of the interpretations put on N.D. H.Q. instructions, were not entirely correct.

Applicants for C.O.T.C. training from M.R.T.B. were 35 only to date, and 28 for the Air Force Training. He thought that probably the numbers for training would be as under:-

For Syllabus "B"	-	51	(From Reserve Units)
For Syllabus "A"	-	11	(" " ")
			(Approximately 165 from M.R.T.B., etc.)

He felt that possibly it would be wise to approach McGill graduates 1941, living in Montreal, who had taken M.R.T.B. training last year, and asked that Captain H.S.L. Brown get a list of these.

ESTABLISHMENT

Major Rexford pointed out that the Officers available in the C.O.T.C. for instruction had dwindled in the last six months, and the numbers were not excessive for the training which had to be given, being:-

5 - Majors
5 - Captains
10 - Subalterns

FUTURE OF C.O.T.C.

Major Rexford reported that a very few McGill Graduates from last year had answered to say they would attend the meeting called for the 24th October in connection with joining the Syllabus "A" Course.

He reported that numbers for the various courses were as follows, at this date:-

Syllabus "A"	90	(ex-M.R.T.B.)
	11	(Reserve Units)
Syllabus "B"	30	
R.C.A.F.	60	(ex-M.R.T.B.) (not yet medically examined)

R.C.A.S.C. Course could be held at McGill instead of 3rd Divisional R.C.A.S.C. if this was desired by Lt.-Col. Nops.

NEW BUSINESS

STUDENT RALLY

The C.O. stated that there had been some difficulty in regard to the Student Rally and that M.D. No. 4 had left the arrangements with Major Cutbush. It was found that no Senior Officers had been invited although their Units were attending. He stated, however, that he had managed to arrange things and had sent invitations to various Senior Officers and arranged for seats and also invited them to visit the Mess after the Rally.

DISTINGUISHING PATCHES

The C.O. stated that he would take up with M.D. 4 the question of a special distinguishing mark for C.O.T.C. Members so that they would be wearing the identical marks as students in the R.C.A.F. Course. It was suggested that the peak of the cap instead of being all white, should be red with white edging.

SHIRTS

Major Hope reported that it was impossible to obtain khaki shirts. This report was in connection with the suggestion that both C.O.T.C. and M.R.T.B. should wear khaki shirts and ties under their battle dress.

OFFICERS-IN-CHARGE COURSES

Major Rexford reported that Captain Whitaker would be taking charge of "B" Syllabus and Captain Kent of the Air Force Course. No one had yet been selected for the Syllabus "A" Course.

MOTORCYCLE

It was agreed to spend the money donated by Dr. Le Rossignol on a motorcycle and sidecar for use in instructing members of Syllabus "A" Course. It was decided that Captain Savage should take charge of this instruction and be responsible for obtaining the motorcycle.

In view of her present value to the Contingent Orderly Room and the comparatively low rate of salary which she now receives, it was agreed that the sum of \$15.00 per month be paid to Mrs. McCrohn as from November 1st, from C.O.T.C. funds, to supplement her Civil Service pay.

WEEKLY DIARIES, ETC.

He also stated that Lieut. Clark would be sent to act as 2 i/c in due course.

NEW BUSINESS

TRAINING BY MCGILL C.O.T.C.

The C.O. pointed out that Major Bell had kindly come down from Ottawa to see some of the work which we were doing and to discuss the question of specialist training by the C.O.T.C. He pointed out that unless we were allowed to give such training a number of efficient voluntary instructors (Ex-Officers, etc. from the last War) would be anxious to employ their energies elsewhere and that we should lose their services. He stated that he and the Officers of the Corps considered that this personnel should be employed to supplement the training at O.T.C. Brockville and possibly cut it short.

He also pointed out that the Officers Commanding Reserve Units in Montreal were anxious to have McGill C.O.T.C. train Officers of this District entirely if possible. In other words that the McGill C.O.T.C. should be used as a Royal School of Instruction for this District. He called upon Lt.-Col. Nicholson, Lt.-Col. Mitchell, Lt.-Col. Nops and Major Holland to state their opinions regarding the matter.

All these Officers supplemented the remarks made by the C.O. except that Lt.-Col. Nops stated that he was being employed in running an R.C.A.S.C. Course for the District.

Lt.-Col. Mitchell introduced the question of qualifications for Engineer Officers and stated he did not think it necessary to have Engineering graduates only eligible for R.C.E. Commissions.

Captain Bowie explained that he was running a Course of Signals for the District and that he and his instructors were fully employed on this course, and others at the Royal Victoria College and Westmount R.C.A.F. cadets, and that they had agreed to train the McGill R.C.A.F. Detachment in addition.

Major Heward pointed out that there seemed to be very little for his instructors to do in the way of training in musketry.

TRAINING BY MCGILL C.O.T.C. - CONT'D.

Lt.-Col. Morrisey stated that from the discussion which had already taken place he understood that what McGill C.O.T.C. wished for was that they should not be treated entirely as a C.O.T.C. but as a special school of instruction for Military District No. 4.

Major Bell reviewed what he had heard and divided the discussion into three parts as follows:-

- (1) C.O.T.C. feeling that more officers should be trained so that there would be a pool of trained men who could be called upon in case of emergency. He stated that this matter was for the Adjutant Generals Department to decide.
- (2) That members of the McGill C.O.T.C. felt the Unit was more than a C.O.T.C. only. He acknowledged that C.O.T.C's had varying degrees of efficiency and gathered that we considered our standard higher than some of the others, and that therefore we should be established as a District Training Centre rather than a C.O.T.C. He stated that this of course was a matter for higher authority.
- (3) That McGill C.O.T.C. were competent to give specialist training. He pointed out that when O.T.C.'s Brockville and in the West were formed, very few good instructors were available but the situation had been very much improved.

He then gave a resume of the training which every officer was expected to undergo before leaving Canada.

Since that date, however, both the C.O. and Major Rexford had visited Brockville, and spent some time going over the training syllabi on the ground including a night visit to the companies who were bivouacing, followed by conferences with Col. Greig and his 2 i/c, Lt.-Col. Baker.

Earl, were afforded an opportunity of meeting the D.M.T., Col. Whitelaw, when the whole question of subsequent training and the question of training as affecting C.O.T.C.'s was discussed.

It was reported that the meeting showed up in strong contrast that there was actually no common denominator as between the C.O.T.C's but the meeting did serve to clarify many details on which there was some confusion in the minds of many of the Units.

As a net result, it was definitely established that within the limits of their various facilities, it would be the duty of the C.O.T.C's to go as far as they could to prepare their candidates for Brockville and Gordon Head, but that no certificates of qualification as 2nd Lieutenant would be issued other than through these two training centres.

The C.O. dealt also with the question of replacements on the A. & T. Staff, for the training of the Basic Battalion (M.R.T.B.) and he will report more fully on the subject at the next meeting.

NEW BUSINESS

ADJUTANT

Major Rexford informed the meeting that a request from H.Q., M.D.4, for the transfer of Captain R.M. Curry had been received. While very reluctant to lose the services of this valuable and popular officer Colonel Morris gave his consent to the transfer before leaving for Kingston, not wishing to jeopardize what looked like a good prospect of advancement for Captain Curry, who reported for his new duties on Monday, 22 Mar 43. The problem of replacement presented considerable difficulty but Major Rexford was able to announce he had interviewed Lieut. K.J. Doig of the R.M.R. a former member of the Contingent, and that the necessary documents for this Officer's transfer and appointment were being prepared and he hoped Lieut. Doig would be able to take up his new duties by 1st April 1943.

CAMP

Major Rexford informed the meeting that word had been received from N.D.H.Q. not approving of the proposal that the first two camps be held at basic training centres. Other suggestions were (a) to grant leave from camp for the first two camps (b) hold these two camps at Macdonald College (c) rent houses in Montreal (d) try for a summer resort hotel. Major Rexford announced that he had taken the matter up with Colonel Magee and also was going to write a letter to Principal James asking him to take the matter up with the Minister of National Defence.

BROCKVILLE

Major Hope made a report on his visit to Brockville and to No. 1 Army Course (Toronto).

Major Rexford stated that, until the operation of the Officers' Selection and Appraisal Centre at Trois Rivieres made its function in relation to C.O.T.C.'s clearer, it would be the policy of this C.O.T.C. to urge the continuance of the present method of sending cadets direct to Brockville.

IDENTITY BRACELET

It was approved that an identity bracelet should be presented to each Officer leaving the Corps (who has assigned at least one pay), the cost to be about \$5.00.

SKI RACE

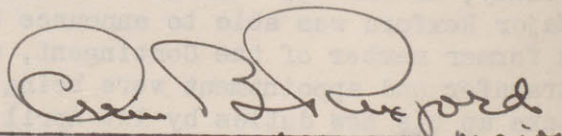

Major Savage reported that the Contingent had entered a team to compete in a ski and compass race to be held on Sunday, 28 Mar 43.

Capt. W.K.W. Baldwin	-	2 i/c "B" Wing
Capt. R. deW. MacKay	-	
Major E.C. Morris	-	A/Adjutant

The Minutes of the previous meeting were read and approved.

BUSINESS ARISING OUT OF THE MINUTES

ADJUTANT

It was reported that Lieut. Doig's papers were subjected to the usual delays but had left local headquarters and were now at N.D.H.Q. Their return and Lieut. Doig's transfer to the Corps were expected any day.

CAMPS

Major Rexford reported that tentative arrangements for summer camp were as follows:

- 1st Camp: To be held at the Armoury with meals in the McGill Union. Dates from Sunday, 25 Apr, to Saturday, 8 May, approximate numbers 120.
- 2nd Camp: To be held at Niagara-on-the-Lake, dates 9 to 22 May, approximate number 550. Application for this camp had gone to Ottawa where it had been passed by the Treasury Department.
- 3rd Camp: To be held at Farnham, dates 30 May to 12 June, approximate number 210.

Both Major Hope and Major Savage were emphatically opposed to the idea of the first camp being held in the city. A somewhat lengthy discussion ensued. The meeting was unanimous in the opinion that to cancel the camp, which is composed of the Engineering Faculty, would establish a dangerous precedent. As no workable alternative was advanced regarding the proposed arrangements for the first camp it was agreed to go ahead with same.

Major Morris reported that he had interviewed Dr. Lamb re using the B.W. & F. Room as sleeping quarters for the first camp which was agreed to. He had also seen Mr. G.H. Fletcher, the Manager of the Union, who was agreeable to turn over the use of the cafeteria for the period of the camp, subject to definite arrangements re cooks, etc., and a payment of approximately \$75.00 to the Union for the use of premises, light and heating.

CAMPS continued

Captain MacKay was asked, and consented, to act as Messing Officer of the second camp.

NEW BUSINESS

UNIVERSITY NAVAL TRAINING DIVISION

Major Morris reported he had attended a meeting the previous day held at H.M.C.S. "MONTREAL".

The U.N.T.D. intends to start training at once under Lt.-Cmdr. Wynne-Edwards, R.C.N.V.R., and expects to start with an approximate strength of 75 to 100, who it is expected will volunteer from the ranks of the C.O.T.C. and U.A.T.C. The fact that the Navy and Air Force seemed seized with the idea they could pick the best material from the student body, leaving the balance for training with the O.T.C., was noted as not being in the best interests of the Corps or its mission in providing Officer material for the Army.

"A" WING OFFICERS' DINNER

As all Officers on the Establishment of the Corps were invited to this dinner which was held on 3 April 43 it was approved that the cost of the Sherry, served before, and the Port, during the, Dinner be underwritten by the Officers' Reserve Account.

ORDNANCE DISPLAY

Major Greenwood asked if the privilege to visit the Longue Point Ordnance Depot was still open, and if arrangements to take advantage of same could be made.

Inquiry into the matter was promised.

The 40 or 50 graduating students attending the camp will leave 24 hours ahead of the main body.

Each Camp O.C. will attend to the matter of Chaplains through the Chaplain services as needed for his respective Camp.

A letter having been received from Captain MacKay to the effect that he will be unable to attend any camp, the matter of a Messing Officer again came up for decision. COMBINING "A" AND "B" WINGS

Major Savage advised the Meeting that the A. & T. Establishment had been reduced this year and suggested that "A" and "B" Wings should be combined into one, and that all students become members of the C.O.T.C. A further reason for this was the necessity of attesting all students in order to obtain pay. The Meeting agreed that the Wings should be combined for administration and training purposes during the coming session.

ASSIGNED PAY

The advisability of modifying present arrangements, whereby all cadets' Headquarters training pay is assigned to the Contingent, was brought up for discussion. The opinions expressed involved precedent, legal technicalities and principles, and represented a wide divergency of view.

After further discussion the meeting agreed that as -

1. It is impossible financially to operate the Contingent solely on funds received from the Government,
2. It is inadvisable to use past accumulations to meet any predictable current deficits,

NEW BUSINESS continued

ASSIGNED PAY continued.

3. Legally, under present conditions, the C.O.T.C. cannot compel assignment of all or any cadet's pay to the Contingent.

Therefore, to effect compulsory assignment of cadets' pay the University be requested to advise all students on enrolment that such assignment is a definite pre-requisite to C.O.T.C. training. Further, that Majors E.deL.Greenwood and G.F.Savage be delegated, in the absence of the C.O., to interview University authorities with respect to implementing the above suggestion. The said Committee to report back at the next Senior Officers' meeting on the University's reaction to the suggestion.

Further discussion re modification of present arrangements in regard to assigned pay be postponed until the report of the above Committee has been received.

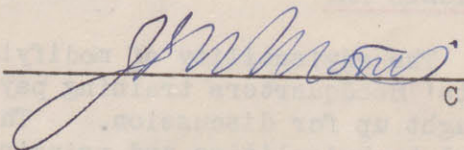

HOURS OF TRAINING

Major Savage expressed the opinion that it would be advisable to train all cadets between the hours of 1630 and 1930 - pointing out that this would obviate a considerable amount of work fitting in training hours with students' academic courses. On Major Savage's suggestion the meeting decided to include this matter as one to be taken up with the University Authorities by the Committee appointed above and to be reported on at the next Senior Officers' Meeting.

MESS

Some discussion took place in connection with the method of carrying on the Sergeants' Mess and serving the A. & T. Staff during the day. On motion made and duly carried it was decided to have Captain Duff submit this matter to the Mess Committee and report on it at the next meeting.

THERE BEING NO FURTHER BUSINESS THE MEETING ADJOURNED.

It was also the feeling of the meeting that any arrangements concerning the future policy of the C.O.T.C., when resigning would start, etc., would be in the hands of the incoming group.

After the Colonel had reviewed the Unit's financial position, it was agreed that \$750.00 would be put aside from the Regimental funds towards the completion of the Regimental record being prepared by Major Greenwood. It was also agreed that \$500.00 should be voted out of the Regimental funds for each of the Bands, i.e., McGill Band and the Pipe Band.

The Mess Committee reported that their balance sheet showed a surplus and it was suggested that it might be appropriate to use some of these funds towards having the glasser of parts group now in the mess cast in bronze.

It was agreed that Officers would not be expected to pay the balance on any amount due on their dress uniforms, which had originally been obtained through the Officers' Reserve Dress Fund.
