Dear Alumnus:

The McGill Winter Carnival welcomes you to a weekend of relaxation and enjoyment. We are doing our utmost to make this year's Carnival bigger and better than all others in the past.

A great deal of time and effort has gone into this year's Forum Night production. It will include a variety show centred around two noted entertainers "Wayne and Schuster", a skating act starring Douglas Court, climaxing with the crowning of this year's Carnival Queen. All in all, it should prove extremely entertaining. Hope to see you there!

Our enclosed brochure should serve as an introduction to the Carnival events. However, if you are in doubt about anything concerning our Carnival, please don't hesitate to contact us. We do hope that you will take this opportunity to revisit McGill under the ideal conditions of the Carnival Weekend.

Yours sincerely,

  
Richard A. Hutchison  
Promotion Chairman
