## SALON ELYSEE

"Prettiness"—the keynote of the Spring Fashion Song, says a recent broadcast from Paris! Start with your coiffure . . . wear it the new short length, curled and swept up in featherly baby waves. It's casual or formal as the occasion warrants, and oh so pretty! You'll need it cut, permanented and shaped by our Salon Elysee experts.

Change your make-up—Charles of the Ritz has some lovely new shades, notably "Hibiscus" and "Petunia" that will pretty you up in no time—they're so becoming, so right with new colours! Try Revlon's Lactol manicure—the new treatment for dry, brittle nails.
