Dear Mr. Munn:-

The students from Western Canada have organized a Club which meets once a month during the session. On such occasions the entertainment usually takes the form of a Smoking Concert, with maybe a boxing bout or two.

These Social Clubs are rather good things, in as much as the students become better acquainted and when they are amusing themselves in that way they are not getting into any mischief down town. I suggested to them that they might get a few old western men, now resident in Montreal, to give them a five minutes talk. It would be good for the students and it would be good for the men.

Will you come and speak to the boys some evening, and will you suggest to me the names of other western men, not essentially British Columbians, whom they might approach for the same purpose?

With all good wishes, I am,

Yours faithfully,

Principal.

My dear Colonel:-

This letter will serve as an introduction to Mr. D. J. Munn of Montreal, who is not only a friend of mine here but is one whom I knew as a citizen of New Westminster in the days before the war. You probably share the acquaintance of many of his friends.

He is making a short tour of the battlefields some time this summer and desires particularly to see the grave of his nephew, who he tells me was buried near Barlin. Any courtesies you may extend to him I shall value as a personal favour.

Now and then people tell me of meeting you in France and of how splendidly you are filling the position.

Please remember me most kindly to Mrs. Goodland and with kindest wishes to yourself, I am,

Yours faithfully,

Dear Mr. Munn:-

Herewith please find a short

shortly before you visit France you write him.

I am sure you will enjoy your
visit, and with all good wishes, I am,

Dear Sir Arthur :- In the hurry of leaving home, I forgot to thank you for your great kindness in advising me about my trip over the battle-fields, and for the letter of introduction to Col. Goodland. I do so most heartily and sincerely now, for it has proved to be the most interesting trip of my life. It is not possible for me to particularize in this letter, and can only say that the Imperial Commission on Graves are doing a wonderful work under the direction of our good friend Goodland.

"Wings" of Vancouver went with me and they were old friends at Chillinshack. I, too knew many of his friends and he personally knew my nephew, who is buried at the Berlin Cemetery.

You may imagine what it meant to us to have an old friend of his experience and knowledge, and a Prince of good fellows to show us the land of Carnage,

its restoration and the hallowed spots in which so many of our heroes are kept in memory. It is both wonderful and magnificent.

I shall hope to tell you personally of much of what I have seen, where your Generalship played a ^{very} great part in the same ~~acted~~ to me by the Col. who often said, "I always admired the man as well as the General".

I thank you many many times for the greatest treat I could possibly have been given and until I can see you to tell you more and convey the Colonel's most kind remembrances to you I remain very sincerely yours

D. D. Murray

My dear Sir Arthur.

I had hoped to see you before now,
but find it rather difficult to connect.

I want to have a chat with you and thank
you personally for your great kindness to me
in connection with my visit to France and Belgium
and also to tell you of your good friend Col. Footland,
who was kindness itself to me.

Will you be good enough to let me know
when I may be able to see you, or better if
will you kindly say when it will be possible
for you to come to Beaconsfield for a game
of golf and dinner there. It would be
merely a matter of your arranging your time
and I will suit your convenience above all else
and be delighted to have you. Kindly drop

me a line, to say you will come, I hope.

I am only now getting back "to Earth"
after a wonderful trip and it just
occurs to me to enclose a clipping
covering to some extent, observations
made to Mr. White and which he wishes
to have published.

Sincerely hoping you can come for a
game, and in any event to see you soon.

I am very truly yours

My Dear Sir Arthur:

You were good enough to offer to give me a line of introduction to Sir Hugh Allan of the Royal College of Music, ^{London} and of Oxford University, England, in order that I might be able to get full particulars, regarding degrees for music over there on behalf of my daughter.

I am leaving for there tomorrow evening and if you feel that you can favour me as above, I should greatly appreciate it, addressed to me as above, or to the British Empire Club 12 St. James Square London S.W.1. whichever you may choose.

It is not her intention to start in to the study at once, rather is it to know the necessary lines of preparation.

Thanking you and with warmest regards for your health and happiness during 1930 I am
very sincerely yours D. J. Munn

I am sure Sir Hugh will be

10th January, 1930.

Dear Sir Hugh,

I am giving this letter of introduction to Mr. D. J. Munn of Montreal, a prominent citizen of Canada whom I have known for the past thirty years or more. He is greatly interested in the musical education of his daughter, who, unfortunately, is blind. I think she has studied in London for some time, and Mr. Munn is anxious to get the best advice as to her future training. His family has always had close association with McGill and I told him that I thought you would be only too pleased to advise in any way you can.

You will be glad to know that Clarke is doing well and is fast making a place for himself here. Some day I shall write you more fully concerning him and the situation here.

I hope that all goes well with you and that too many years may not intervene before we meet again.

Ever yours faithfully,

Sir Hugh Allen, C.V.O.,

Dear Dr. Munro:-

After more than a month's absence from Montreal on a tour through Canada on behalf of McGill University, I returned last Friday morning to find awaiting me your kind letter of October 29th.

Lady Currie is accompanying me to Boston and on her behalf and for myself I wish to thank you very much for the kind invitation to have tea with you and Mrs. Munro at your home on the afternoon of the 29th.

I heard from Mr. Davison, the President of the Canadian Club this morning and according to the programme forwarded to me, the afternoon seems to be free.

I thank you sincerely for what you have written regarding a successor to Dr. Colby. No appointment has yet been made and I shall be pleased to discuss the matter further with you when I meet you in Boston.

You will be interested to know that the drive for funds on behalf of McGill University was launched to-day and everything promises that the set objective will be passed.

With all good wishes and many thanks for your letter, I am,

Ever yours faithfully,

Principal.

Dear Sir Arthur:-

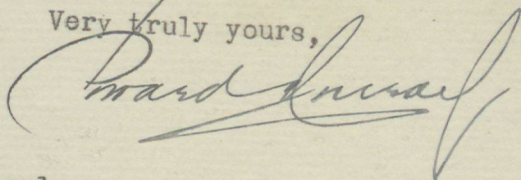

I am sending you a copy of "The Aldred Lectures", which has just been published.

It contains a course of lectures founded by J. E. Aldred and given by a group of men before the Senior students of the Massachusetts Institute of Technology. Whether you keep this for your own library, or hand it in to the McGill library, I think you will concede that it is worthy of a place on either of the shelves.

I trust you will find it interesting.

With kind regards,

Very truly yours,

Dear Sir Arthur,

Welcome to Trinidad!

The visit of the s/s "New Northland" has been overshadowed by the cloud of Commerce & everything has been subordinated to business.

I am particularly interested in the young & would like to know what facilities Canada offers in the way of Preparatory Schools for youngsters of 10 years.

Further particulars would greatly oblige

Yours faithfully,

Trinidad, B.W.I.

Dear Dr. Murray,

Your letter of the 4th February has been sent on to me by our representative on the "New Northland", the Reverend H.J. Keith. Unfortunately, I had such an accumulation of work ahead of me that I was unable to make the trip, much to my regret.

There are two preparatory schools in Montreal both of which we can recommend, Lower Canada College and Selwyn House School, 3458 Redpath Street, the headmaster of which is Mr. G.H. Wanstall. Other Canadian schools which I believe have good preparatory departments are Bishop's College School, Lennoxville, Quebec - headmaster, Mr. Crawford Grier; Trinity College School, Port Hope, Ontario - headmaster, Rev. Mr. F.G. Orchard; Upper Canada College, Toronto, Ontario - headmaster, Dr. W.L. Grant; Ridley College, St. Catharines, Ontario - headmaster, Rev. R. Griffiths; Ashbury College, Ottawa, Ontario - headmaster, Rev. G.A. Woollcombe.

I am asking Mr. Wanstall to send you information concerning his school, which I hope will interest you.

Yours faithfully,

Principal.

Captain F. W. Erskine,

Ottawa, Ont.

Dear Captain Erskine:-

I have been asked by the Musical Society of McGill University to enquire whether His Excellency would be kind enough to give his patronage to a concert to be held about November 24th next by Mr. Edmund Burke.

His Excellency is, I know, well acquainted with Mr. Burke and his record and will remember him as having organized the 2nd Division Concert Party as well as the Party which went to Paris during 1916. The Musical Society would much appreciate His Excellency's permission to use his name as patron.

Yours faithfully,

September 9th, 1924.

Captain W. F. Erskine,
Government House,
Ottawa, Ont.

Dear Captain Erskine:-

With reference to my previous letter requesting the honour of His Excellency's patronage for Mr. Burke's concert in Montreal, I can now inform you that the date will be Monday, November 17th next.

I need not say how much pleasure it would give us if His Excellency were able to be present in person. I am sure that the entertainment would be one that he would enjoy if he can spare the time to come to it.

Yours faithfully,

General Sir Arthur A.W. Currie,
Principal, McGill University,
Montreal.

Dear Sir Arthur:-

Referring to our conversation some time ago regarding the Recital to be given by the Music Club in the fall, you were kind enough to say that when we could supply you with the definite date of the concert you would then write to Lord Byng asking him for his patronage and that of Lady Byng, and invite them to be present if possible.

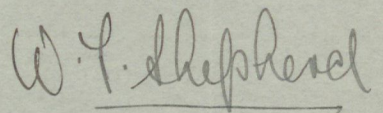

We were obliged to wait until Mr. Edmund Burke arrived in the city from England before we could arrange the date. He was here last week and we have chosen Monday night, November the seventeenth.

The St. Denis Theatre has been engaged for that night. We have already begun work on the Patronage and Subscribers' lists, and as soon as the term opens we will begin the advertising and the selling of tickets.

Mr. Burke personally knows the Governor General and I believe has already spoken to two of his Aides, asking them to do what they can to get Lord Byng to come down. When he receives your letter he might consider attending the concert, which would, of course, practically ensure financial success.

Needless to say, we hope to put over something which you will think creditable and of which the University as a whole will be proud.

Yours very truly,

President, Music Club.
