5 Courses Required

DETAILS OF THE ABOVE COURSES

English 1

274 men, 136 women, total 410.

12 sections - 4 at 12 Saturday, 2 at 11 Saturday, 1 at 3 Monday,
1 at 3 Friday, 1 at 12 Monday, 1 at 12 Tuesday,
1 at 10 Thursday, 1 at 9 Saturday.

English 2

434 students, in Moyses Hall, Tuesday, Thursday, 12 - 1.

Mathematics 1

students, 7 sections, Mon. Wed. Fri., 9 - 10, 11 - 12.

Latin 1

178 students, 5 sections, Mon. Wed. Fri. at 10. This includes 1A.

Greek 1

1A - 45 B.A. students, 1C - 1 student.

A and C sections - Tues. Thurs. Sat. at 10

B. section, Mon. Wed. Fri. at 11. Not given this year.

French

288 students, 8 sections of which two are advanced, one for women one for men, and one for B.Sc. students only. Alternates with Mathematics 1.
Mon. Wed. Fri., 9 - 10, 11 - 12.

Physics 1

Wed. Fri., 2-3, 93 students, Wed. Fri., 3-4, 100 students, total 193 students, of which 33 are B.A., 160 are B.Sc.

Laboratory - 3 sections, Mon. 2-4, Tues. 4-6, Wed. 4-6.

Maximum in any one lab. - 124.

Physics 2 also Engineering 311 (First Year).

B.A. and B.Sc. both equal 38, Engineering 111 students, total 149.

Tues. Thurs. Sat. at 11.

Laboratory - Wed. 2 - 4, Mon. 11 - 1, mixed.

Physics 2P

5B.A., 24 B.Sc. students. Mon. at 2, Tues. at 3, Thurs. at 3,
tutorial - Thurs. at 4.

Chemistry 1A

26 B.A., 64 B.Sc., total 90 students. Mon. Wed. Fri. at 12.

1B - B.A., B.H.S., Com., B.Sc.(pre-Eng.)
Mon. Wed. Fri. at 2.

1C - Laboratory - Tues. and Thurs., 2-4, 76 students, Wed. and Fri. 3-5, 47 students, Thurs. 2-5, 74 students, total 197 students.

Chemistry 16

5 B.A., 35 other students. Fri. at 10, Sat. at 11.

German 1

B.A. and B.Sc. students. Tues. Thurs. Sat. at 9 and at 10.
5 sections.

History 1

182 students, 2 sections, Tues. Thurs. Sat. at 11.

Biology 1

Zoology 1 - 97 students - 57 B.A., 27 B.Sc., 3 B.Com.

Mon. Wed. 2 - 3, Laboratory - Fri. 2 - 5.

Zoology 1M - 31 students - 19 B.A., 12 B.Sc.

Tues. Thurs. at 2, Laboratory - Mon. and Wed. 9 - 11.

November 12, 1931.

Handwritten: B.A., B.Sc.

ASW

FACULTY OF ARTS AND SCIENCE.

Chemistry 3 a. -- Qualitative Analysis

Per week: Two lectures

Six hours laboratory per week
first term

The hours for lectures given on the official timetable are

Monday, 4 p.m.

Tuesday, 3 p.m.

The laboratory work, under present regulations, may be done at any time that the laboratory is open, but students must not put in less than two consecutive hours at any one time.

Mining students, of the third year, Engineering, are scheduled to be in the laboratory for the same subject on Mondays and Wednesdays, from 2 to 5 p.m..

M. N. Evans

COPY.

ROYAL RECORDS
January, 11th., 1932.

Dean F.M.G. Johnson,
Chemistry Building.

Dear Sir,

In the Existing time-table Elementary Organic Chemistry (Arts & Science 2, Engineering 57) Laboratory consists of six (6) hours per week in the second term. This course is available to second, third and fourth year Arts and Science and third year Chemical Engineering students.

We beg to suggest that it would be of great time-table advantage to have this course given for three (3) hours per week throughout the session. Such an arrangement, we are assured by the teacher concerned, is feasible and desirable.

Yours very truly,

"W.H. Hatcher"

for the Principal's Special
Time-table Committee.

WHH/CMM

MONTREAL, 13th January, 1932.

Dr. W. H. Hatcher,
Biological Building,
McGill University.

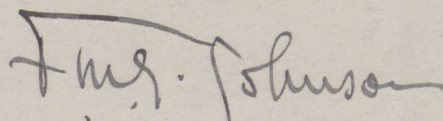

For the Principal's Special
Time-table Committee

Dear Dr. Hatcher:-

I have your letter of 11th Jan-
uary.

This department has no objection
to the time-table change which you recommend in
regard to Chemistry 2 (Engineering 57) Laboratory.

Yours faithfully,

Director

FMGJ/JH

MCGILL UNIVERSITY
MONTREAL

DEPARTMENT OF ZOOLOGY

Nov.7th.1931.

Dear Dr.Hatcher

In allowing for calender changes for next year I wonder if Zoology 1 could be extended throughout the whole year so as to bring it into line with Physics and Chemistry. The course is at present too short to be satisfactory and I would very much like space to be allotted in anticipation of its possible extension.

Yours sincerely

John Berrill

MCGILL UNIVERSITY
MONTREAL

THE MACDONALD PHYSICS LABORATORY

November 13 th., 1931.

Professor W. H. Hatcher,
Chemistry Department,
McGill University.

Dear Doctor Hatcher,

I beg to write in connexion with your new time-table arrangements and ^{ask} ~~state~~ that in drawing up this new ~~sc~~heme that you please reserve three hours for Physics 1, in place of the two as allotted to me on the present time-table. Even should objection be made to my having three hours of lectures a week, I need the extra hour for a tutorial period when all students should be able to attend if they so desire. At present approximately 100 students come to the tutorials and if a definite hour were assigned to this work it would greatly facilitate matters and would be of considerable benefit to the students.

Trusting that you may be able to arrange this for me,
believe me

Yours sincerely,

David A. Keys.

David A. Keys

Dean Eve supports this request for a 3 hour period on the new Time-Table.

DAK.

SCIENCE GROUP
FACULTY OF ARTS AND SCIENCE

20th January, 1932.

AGENDA

1. Minutes of last Meeting.
 2. Representation on the Faculty.
 3. German as Junior Matriculation subject.
 4. Aptitude Tests (Professor W.D. Tait).
 5. Physics 1, lecture hours. *Passed 3 hours -*
 6. Possible additional courses in the first year.
 7. Other business.
-

MCGILL UNIVERSITY
MONTREAL

THE MACDONALD PHYSICS LABORATORY

December 3rd. 1931.

Dr. W. H. Hatcher,
McGill University,
Montreal.

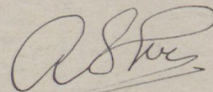

Dear Dr. Hatcher,

Second Year Timetable.

It would be a great advantage if the Physics Laboratory for Physics 3A, Engineering 316 could, in future, be three hours instead of two.

We do not recommend as necessary such a change in the case of Physics I or Physics 2 Engineering 312.

Yours very truly,

A. S. Eve,
Director of the
Department of Physics.

MCGILL UNIVERSITY
MONTREAL

THE MACDONALD PHYSICS LABORATORY

December 9th. 1931.

Dr. W. H. Hatcher,
McGill University,
Montreal.

Dear Dr. Hatcher,

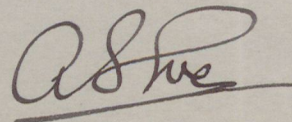

Timetable.

In continuation of my letter with respect to more time for the laboratory work for Physics 3A and Engineering Course 316, I write to add the following statement:-

In the Department of Physics some years ago every laboratory course was of three hours duration. These hours were shortened to two by the department, and not by any faculties; the only reason was lack of space and time in the Macdonald Physics Laboratory, which growing numbers proved essential.

Lab. We should now like to increase "Physics 3A and Engineering 316" to three hours, leaving the other laboratory courses as heretofore.

Yours very sincerely,

A. S. Eve,
Director,
Department of Physics.

MEMORANDUM to Dr. W. H. Hatcher, University Time-table
Committee, re BOTANY III.

The students at present registered in this course are taking almost all other subjects in the University, as per enclosed list.

If it is convenient, I should like to have available for this course :

Three lectures per week at 9 o'clock, as at present, and

One hour for laboratory at 10 o'clock on one of the

three lecture mornings. — *Wednesday seems least likely to conflict.*
