CONVOCATION

1925 - 1934

April 27th, 1933. The Principal One or two people have recently suggested to me that we might save money by doing without our Convocation at Loew's and either giving out the diplomas in this office or holding the ceremony in the Moyse Hall. Below I have given some facts concerning our Convocation which may be of use to you if other well-intentioned economists suggest the same procedure to you. (1) We get Loew's Theatre for nothing. (2) The cost of stage hands and ushers last May was \$151.52. (3) The rent from gowns, hoods, and caps was approximately \$1600.00. (4) Moyse Hall seats only 460. The number of students receiving degrees last May was 509. (5) The traffic on Sherbrooke and St. Catherine Streets is stopped for the procession, and it would be a shame to deprive the Professors of the joyful thrill they get from seeing Academic matters take precedence for once over Business. ASSISTANT DIRECTOR GRACE E. REYNOLDS January 14, 1929. SECRETARY Dr. C. F. Martin, Acting Principal, McGill University. Dear Sir, -Owing to the length of the regular Convocation programme on Wednesday, May 29, may I suggest for your consideration the proposal that the Library School might possibly combine with the other certificate conferring schools in a convocation of their own to be held on Monday, May 27 or Tuesday, May 28, in the Moyse Hall. This would have the double advantage of shortening the regular Convocation, and of giving the students in the University schools a more definite share in the closing proceedings. R. Lones. D. University Librarian.

19th January, 1929. Dr. G. R. Lomer, University Librarian, McGill University, Montreal. Dear Dr. Lomer, I shall be glad to refer the matter mentioned in your letter of the 14th inst., to the Committee of Deans at the next meeting, and later on to Corporation if necessary. It seems to me that the suggestion of holding a separate Convocation for the Library School is a very happy one. Yours sincerely, Acting Principal.

Sir Arthur Currie, President and Vice-chancellor McGill University, Montreal.

My dear Sir Arthur:

Most heartily do I thank you for your kind letter of the 10th. I can assure you that I regard it as a great privilege to do anything that I can for you and for McGill, as I tried to express it in our conversation recently. I hope you will feel free to call upon me at any time that you think I could be of service to you. I am sure we both regard service as that which most dignifies life.

May I most heartily thank you for your very great kindness in officiating at the fete of the Anglican Emergency Relief last Friday? We do very much appreciate your kindness. You will be glad to know that they cleared over \$1200.00, which gives them a good start for their winter's work.

With many thanks, I am,

Yours sincerely.

May 22. 1933. Right Reverend John Farthing, D.D., LL.D., The Lord Bishop of Montreal, Montreal, P. Q. My dear Bishop Farthing. I am very happy that you have consented to give the Opening Prayer and the Benediction at Convocation on Thursday next, and also that you are coming to lunch. I am attaching a copy of the Prayer, which has been in use for some years. I have heard criticism of this Prayer, as not being entirely suitable for a ceremony where degrees are granted to young men and women going out to earn their own living and to take a new part in life. Next Thursday's ceremony has one unique feature about it, and that is that we are honouring an eminent dignitary of the Roman Catholic Church. There will be no objection if you should see fit to alter the wording of this Prayer. In fact, there are many who would appreciate your doing so. Please note that the academic procession will leave the campus at 9:25 a.m. I think you should be at the Redpath Library robing room not later than nine-twenty. Ever yours faithfully, Principal

Invitations Convocation Luncheon 1931-1953 May 15, 1934. Dr. C. W. Martin, Dean of the Faculty of Medicine. Dear Dr. Martin. I find I did not keep these luncheon lists, but I think the attached sheets are accurate. I have been able to construct them from the correspondence. Apparently, I was wrong on the telephone this morning the governors en masse only were invited on very special occasions, such as the large luncheon held last October 6th, the reason probably being that the Principal kept the May convocation luncheons down to twelve or fourteen people. Be sure to call on me for anything I can do to help at this time, either typing or anything else. Yours faithfully,

Convocation Invitations Donors List June 10, 1931. The Registrar, McGill University. Dear Mr. Matthews. I am enclosing a letter from Dean Ira Mackay together with one addressed to Brofessor Sugars from Mr. Sharp, of Sharp, Milae and Company. Please note the last paragraph of Mr. Milne's letter. This is the second or third time this year that this sort of thing has happened. Do we not include on our list for Convocation the donors of prizes in all Faculties, particularly those resident in Montreal? If not, they should certainly be invited each year and I would be glad if you would give this your personal attention. We cannot afford to incur this sort of bad feeling. Yours faithfully, Principal

June 10th, 1931. Dean Ira Mackay, Faculty of Arts, McGill University. Dear Dean Mackay, Thank you for calling my attention to the letter of Mr. Sharp to Professor Sugars. We cannot afford to incur this sort of bad feeling, and I am taking steps to see that something is done to prevent it. The donors of all prizes and studentships should most certainly be invited to Convocation each year, as a matter of course. Yours faithfully, Principal

May 9th, 1933. Reverend G. Marchand, Rector, University of Ottawa, Ottawa, Ontario. My dear Rector. May 5, 1933. His Eminence Cardinal Villeneuve, Quebec, P. Q. Your Eminence. McCill University is indeed greatly honoured by your consenting to accept the honorary degree of Doctor of Laws. This will involve, as you know, your attending our Convocation on May 25th, and there are a few details on which I would like to be clear. Usually the recipients of the honorary degree assemble in the robing room of the McGill Redpath Library and join the Convocation procession to Loew's Theatre, where our Convocation proceedings take place: this is unfortunately the case because we have no assembly hall at the University large enough to accommodate the five hundred graduates and their friends.

The Principal.

Dear Sir Arthur.

I hope you will not mind my bringing to your attention one or two facts in connection with today's Convocation.

Convocation this year was particularly early so that the period of preparation was unusually short.

Last year we employed an extra girl in the Registrar's Office for Convocation and Matriculation at a cost for a month of \$100 and brought Dick Struthers back to help on Convocation Day. This year we had no outside help.

This year we saved \$100 by not employing an orchestra.

In addition to the preparation of lists and printing of instructions to graduates, programmes, invitations, and the preparation of over 500 diplomas, Convocation entails the mailing by this office of over 2,000 letters and is quite a strenuous business.

I am pleased that we have been able to manage so economically and feel that this has been possible owing to the loyalty and efficiency of my staff.

I should also like to pay tribute to the very willing cooperation of Mr. Bentley and his staff, Mr. Macfarlane and particularly of Colonel R.R. Thompson, who organizes and manages our processions so thoroughly.

Yours sincerely,

J. H. healthand.

Date of Convocation MCGILL UNIVERSITY MONTREAL GRADUATE FACULTY December 14. 1931. Sir Arthur Currie. Principal and Vice-Chancellor. McGill University. Dear Sir Arthur: Convocation is announced in the Calendar for Thursday, the 26th. of May. The Royal Society of Canada will meet in Ottawa on May 26, 27, and 28th. These days have been chosen because the Governor General has promised to open the new National Research Laboratory on the evening of the 27th, and as it is the Jubilee of the Royal Society of Canada, there is a large measure of cooperation between the Royal Society of Canada and the National Research Laboratory in this year's organization. I am therefore venturing to inquire whether it is possible and desirable to change the Convocation of McGill University from Thursday, the 26th. of May, to Monday, the 30th. of May. Yours very sincerely. astre Dr. A.S. Eve. Dean. Graduate Faculty.

December 16th, 1931. Dean A. S. Eve. Faculty of Graduate Studies. McGill University. Dear Dean Eve. I have your letter in which you suggest that to avoid clashing with the meeting of the Royal Society in Ottawa May 26, 27 and 28th, we postpone our Convocation until May 30th. I would not care to postpone Convocation for another four days, or until Monday, May 30th. It would mean keeping in the city hundreds of students, who naturally are anxious to get home or get to work, seems to me that holding the convocation in the morning, as we do, and concluding the coremonies by twelve o'clock, or, if need be, a little earlier, leaves everyone free to take the train which leaves Montreal just after the noon hour for Ottawa, To remain for Convocation and thus miss the opening morning session of the Royal Society meeting. would not mean missing a great deal, as these affairs do not usually get underway at the opening session. I have consulted a number of people, and they think we ought to allow our own programme to stand as arranged. Ever yours faithfully. Principal.

Convocation - The Visitor M ay 22nd, 1931. Captain A. Lascelles. Secretary to the Governor-General. Government House, Toronto, Ontario. Your letter of May 21st to the Registrar has been shown to me. I learn now that we are obliged to commence Convocation an hour earlier than I anticipated when I told you that ten o'clock would be the proper time for His Excellency to arrive. The procession is forming at nine-fifteen sharp, to leave the grounds at nine twenty-five and ensure that Convocation begins at ten o'clock. When Lord Willingdon first came to McGill as Visitor and to receive his degree, we established a precedent that I should like to follow this year. If His Excellency has no objection, I should like him to come with me to the Roddick Gate (the Sherbrooke Street entrance) and watch the procession file past. This serves to introduce him as our new Visitor, and gives him an opportunity to see the graduating class. I shall, therefore, expect His Excellency and his party to be at the Redpath Library not later than nine-fifteen a.m. (daylight saving time). He will be met by Colonel Thompson, the Marshall of the procession, and conducted to the robing room. I am attaching to this letter the programme of His Excellency's engagements for that day. Principal.

May 13th 1931

My dear Sir Arthur,

You will recollect that when we were talking over the plans for His Excellency's visit to Montreal during your stay here, you suggested that Colonel Herbert Molson might be willing to entertain His Excellency at dinner before he goes to the Boy Scouts Rally on the evening of the 29th. It would be very good of you if you would let me know if this is a firm fixture? As I think I mentioned, His Excellency would have to dine in plain clothes, and at about 7.15 p.m., as he is due at the Forum at 8.30 p.m. Our party that night will only consist of Duncannon, myself and Stuart French.

Yours sincerely,

Office of the Secretary to the Governor-General
Private and Personal

My dear Sir Arthur,
I enclose a copy of what He proposes to say at Convocation. I should

blameless.

I enclose a copy of what His Excellency proposes to say at Convocation. I should be very grateful if you would read it through, and if there is anything in it which you consider exceptionable, will you very kindly let me know? It seems to me to be quite

His Excellency will wear morning dress for Herbert Molson's dinner, as you say, because he will be going straight on to the Boy Scouts Rally immediately after dinner.

Yours ever,

General Sir Arthur Currie, G.C.M.G.,
McGill University
MONTREAL.

May 14, 1931. Captain A. Lascelles, Government House, Ottawa. Replying to your letter of yesterday, Colonel Herbert Molson is not only honoured but delighted to have His Excellency to dinner before the Boy Scout Display. The hour is seven fifteen, and the dinner will be held at Herbert's house. He knows that he man expect Duncannen, Stuart French and yourself. I wrote to Willis today, saying that the Mount Royal Club had intimated to Colonel Snow that all His Excellency's male staff were to regard themselves as honorary members of the Club.

Nay 21, 1931.

Captain A. Lascelles, Secretary to the Governor-General, Government House, O t t a w a .

Thanks very much for your letter of the 20th, with the copy of what His Excellency proposes to say at Convocation on May 29th. I have read the address and consider it excellent. Needless to say it will be kept quite confidential until he delivers it.

May 19, Your letter received this morning. I have told Herbert Molson that His Excellency would likely wear morning dress for the informal evening meal. That is right, isn't it? I have been asked to put another matter before you. Would it be possible to get by the end of this week His Excellency's address to the students? The reason I ask you this is that the McGILL NEWS (the publication of the Graduates' Society) goes to press early in June, and they are anxious to feature His Excellency's address and to have it set up and proof read in plenty of time. Please let me know if we may expect it?

GOVERNMENT HOUSE, OTTAWA.

Office of the Secretary to the Governor-General

May 18th 1931

My dear Sir Arthur,

Thank you so much for your letter of May 14th, and for the information which it contains. We are all looking forward to seeing you next week.

Yours ever,

General Sir Arthur Currie, G.C.M.G.,
McGill University,
MONTREAL.

April thirtieth 1931. Since returning to Montreal I read in the local press that the City of Montreal is giving a civic reception to His Excellency the Governor General on Thursday, May 28th. His engagement with us is for Convocation on Friday, May 29th. I am writing you solely for the purpose of making sure that there is no confusion between the dates of the civic reception and the Convocation Day proceedings. Since His Excellency's acceptance of our invitation to attend Convocation proceedings and receive our honorary degree, another development has arisen. You will remember that Lord Willingdon, as Visitor, had consented to receive, on behalf of the University, the Friendship Fountainn presented by Mrs. Harry Payne Whitney. We arranging with her that the ceremony will take place about three-thirty on Convocation Day, to be followed immediately by the Garden Party given by Lady Currie and myself on the grounds of the University.

1:00 p.m. Luncheon

3:30 p.m. Unveiling of fountain

3:45 p.m. Garden party

I hope His Excellency will find it convenient to stay for these functions. We can discuss this over the weekend;

Yours faithfully.

Colonel Humphrey Snow, C.M.G., D.S.O., Comptroller of the Household, Government House

Convocation on Saturday any MCGILL UNIVERSITY MONTREAL FACULTY OF APPLIED SCIENCE OFFICE OF THE DEAN Sept. 13th, 1928. Dean C. F. Martin, Acting Principal. Dear Dean Martin, This Faculty so far as I can make out has no particular objection to Convocation on Saturday morning, October 6th. Nevertheless, I feel that Friday afternoon would be a better time. The Faculty of Applied Science will have no candidates for the honorary degree of LL.D. at the coming Convocation. Yours very truly Munuellay
Dean.

Evening Convocation? November 29th, 1929. G. B. Glassco, Esq. Executive Secretary The Graduates' Society McGill University Dear Mr. Glassoc, I have your letter of yesterday with reference to the desirability of holding Convocation in the evening in order to make it possible for more of the graduates in Montreal to attend. I can promise the Montreal Branch of the Society that every consideration will be given to this request. There will be difficulties, of course. We could not hold it in any theatre because theatres are engaged, and the Capitol Theatre makes a most convenient place. We should have to get permission from the Board of Management of some church, and that would mean that the church would have to forego any services planned for that evening: but I do not imagine that the main auditorium of a church is much in use during the week. There would also be the desire of the graduating class to get away to their homes as soon as possible and they would naturally desire to take the evening trains out of Montreal. We would then have daylight saving and that would help to some extent. We have always attached a good deal of importance to the showing made by the procession from the University buildings to the theatre. It attracts a good deal of attention and must bring to the minds of all

G. B. Glassco. Esq. 2. Nov. 29-29 who witness it the size of the professorial staff. However, that procession would, because of the daylight saving, probably parade during the hours of daylight. I promise you that the request shall receive all possible consideration and I shall communicate with you later as to the decision reached. Ever yours faithfully, Principal.

The Graduates' Society of McGill University McGILL UNIVERSITY, MONTREAL PUBLISHERS OF THE PHONE MARQUETTE 9181 "THE MCGILL NEWS" December 3, 1929. General Sir Arthur Currie, Principal and Vice-Chancellor, McGill University. Dear Sir: At a meeting of the Executive Council of the Montreal Branch of the Graduates' Society, your letter of November 29th in regard to holding next Convocation at such a time that more Montreal graduates might attend, was read; and it was desired that I should express to you the thanks of the meeting for the sincere consideration which you are giving to this request. Faithfully yours, GJW Executive Secretary.

Little Convocation Inception MCGILL UNIVERSITY MONTREAL REGISTRAR'S OFFICE February 28th., 1929. Dr. C.F. Martin. Acting Principal, Medical Building. Dear Dr. Martin:-Apropos of our conversation yesterday about a separate function for the granting of diplomas in the several schools directly under Corporation I have to-day a copy of a letter written to the heads of these different schools by Dr. Lomer, making a suggestion along these lines. It is altogether likely that they will approve of the idea. In any case it ought to be carried out whether they approve or not, as it seems ridiculous to be solemnly reading out a list of names of persons none of whom, except possibly students in Pharmacy, have been in the University for more than two years. They would receive far more notice if the diplomas were presented to them in person at a special function. As it was last year, you will remember, only the names were read out as they stood up and the diplomas were received afterwards, and I may say that this created no little confusion. It would be far more satisfactory for these and for all concerned to have a little affir of them own on the afternoon or evening of the day before Convocation. It would mean that there would be ninety more seats that could be occupied by regular graduates bring the whole body up closer to the front, and it would also mean three hundred seats for friends of the regular graduates, as those who receive diplomas have been in the past allowed as many tickets for their friends as those who are obtaining a degree. This will necessitate some little legislation probably. In the first place, is there any need of having the names of those who have been granted diplomas by the separate schools submitted to Corporation

Dr. C.F. Martin

for approval? They do not go out from the University with the same stamp on them, as it were, as do the students who obtain degrees and it scarcely seems to put them on the same basis as the others even in this respect. However, that is a small matter. In the next place, there should be some organization to arrange proceedings at their little ceremony, presumably in conjunction with myself. Probably it would be advisable for Corporation to make provision for a committee consisting of the heads of the different schools to decide upon a programme in this connection, unless of course your Committee of Deans wishes to make all the decisions, although I should think they would prefer to leave it to Corporation.

You will recall that there is a motion before Corporation to grant representation to these different schools. If it were decided that it is not necessary for them to report the names of winners of diplomas it would do away with one of the main arguments which has been advanced in favour of this representation.

Yours very truly,

Registrar.

The procession will form up as usual in the grounds of the University. The Visitor, Chancellor, Principal, Governors and recipients of honorary degrees will meet at the library, where those who are or are to become Doctors of law will robe. The Visitor, Lord Willingdon, with the Chancellor, Mr. E.W. B the Vice-Chancellor and Principal, Sir Arthur Currie, the Governors and the Doctors of Law, including those receiving their degrees at the present Convocation, will lead the procession as far as the gate. At the gate the Visitor and those attending him will stand to one side and the remainder of the procession will pass them. The Visitor preceded by the rest of the senior party will them take his place at the rear of the procession for the march to the Royal Victoria College. When the head of the procession reaches the Royal Victoria College, the ranks will divide and the fifty senior members present, led by the Visitor, will enter the College. The ranks will then again be clased and the remainder of the procession, led by the graduates of this Hall will march into the hall. On entering the College the Visitor, Chancellor and Principal will leave their places at the head of the procession and proceed to the Warden's Office. The remainder of the procession will continue into the Hall and take their seats as follows:-Semior 46 on the platform Junior graduates (less 2 seats in right aisle). Visiting graduates Staff. The Visitor, Chanceller and Principal and the G.O.C. M.D.& will then enter. All in the hall will rise, but God Save the King will not be played. As soon as the Visitor, Chancellor and Principal have reached their places God Save the King will be played. Graduates attending the Reunion who wish to attend the Convocation and thus take part in the first official ceremony of the new Governor General, will take their places in the procession in the College grounds, where they will be directed by the Marshal and his assistants. Owing to the limited space available it will only be possible to issue a very few tickets. These will be for the gallony and will admit ladies only, wives of members of the staff or wives of graduates who are not themselves graduates. They will be issued at the Registrar's Office on Tuesday morning, October 5th, in the order of application. Only -75 are available.

A number of seats in the lower portion of the hall are reserved for students who will lead in the songs on the programme. Tickets for these are being issued to Miss Hurlbatt, Warden of the Royal Victoria College, and to Mr. Amaron, President of the Students' Council.

May seventh, 1931. Dear Major Kesler. I have your telephone message with reference to the band of the Artillery Regiment being employed at the garden party to be given on May 29th. I am afraid that for this year we are committed to the band of the Royal Montreal Regiment, but there is no reason why we should not employ the Artillery Band next year, providing its progress as a musical organisation is satisfactory. I hope you are doing well with the band, and with all good wishes for the Regiment, I am. Ever yours faithfully,

I should have written you before this to confirm our telephone conversation when on behalf of Sir Arthur Currie I engaged the services of the Band of the Royal Montreal Regiment for the Ceremony and Garden Party on McGill University Campus on the afternoon of Friday, May twenty-ninth. The Geremony of the Presentation of the Whitney Friendship Fountain begins at four o'clock sharp, and the Garden Party follows. As the Governor-General is to be present at both functions and there are other special circumstances this year, Sir Arthur would like to consult with the Bandmaster about the programme. Could you arrange for him to come to the University early next week to see Sir Arthur? We are closed on Monday. Mr. Finley, the Purchasing Agent, is in charge of all arrangements, and perhaps it would be as well also for the Bandmaster to see him the day he comes to see Sir Arthur. Yours truly.
