

3 May 1921¹¹

216 Peel St.

Montreal.

Dear BIRRETT,

You might care
to have in the library the
manuscript of "Le Glendrie's
Fishes," not the poem, but of
the book bearing that name,
which contained McCrae's
collected verses, letters, and
diary, published by Putnam,
and edited by myself. It
will in time be something
of a curiosity.

Yours faithfully
Arthur Hays Sulzberger
