(Letter to Dr. Cushing)
(typewritten)

13, NORHAM GARDENS,
OXFORD

August 16th, 09.

Dear Cushing,

I hear from Wenckebach that he will be away. He will send an introduction to Dr. Daniels.

I enclose you two slips from the B.M.J. Bastian's article is very interesting. Both he and the Journal would appreciate a line about it.

I envy you your Holland trip.

Sincerely yours,

WM OSLER
