(Letter to Dr. Cushing) (typewritten)

13, NORHAM GARDENS, OXFORD

Dear Cushing,

I have not heard what you got at the Amsterdam sale, but I have had a wire from Muller that the family has withdrawn the VESAL letter, which is too bad. I secured the LAENNEC letter, and the 1492 EDITIO PRINCEPS of Mundinus.

I bid on a nice ALBUM AMICORUM, 1623, for you; I hope you may get it. They notify me that I have got a similar one at the same price. I do hope you got the HALLER letters. I have sent for your list - Do get away for a rest - Take an airplane trip. Love to the darlings.

Sincerely yours, WM OSLER
