Dear Harvey C.:

I wish I was beginning as one of your Residents at the Brigham this October! I'd give my top hair, and a good deal more! What a delightful time you will have! This is just a letter of greetings and good wishes to you and Kate and the bairns. I wrote you what a good time we had in Scotland. I wish you and the family could be there with us one summer and have Revere initiate the boys into the mysteries of casting.

Sincerely yours,

W^m Osler. (per J.C. Secretary)
