13, Norham Gardens, Oxford.

Dear Mac:

I am so sorry to have missed you; it is too bad! We spent a month in Sutherlandshire, and then a week with Carnegie at Skibo. What a wonderful country Scotland is!

I am not coming out until the spring. My Yale lectures have been postponed. I shall hope to see you in Montreal in May. It is nice to hear that you are doing so well.

Love to you all.

Ever yours,

Wm. Osler
