

To Dr. Flick from Dr. Jacobs.

Baltimore,  
April 14, 1904.

My dear Dr. Flick:

I received your note with copy of Constitution and By-laws. As you suggest, I have sent it to Dr. Osler. It seems excellent to me.

The meeting of the Committee will be held at the home of Dr. Biggs, 5 West 58th Street, New York, on Friday April 22nd, at five o'clock. After the afternoon session Dr. Biggs asks that the Committee dine with him, quite informally, and then after dinner will follow another session. In this way we hope the whole work of the Committee can be completed.

Very sincerely yours,

Henry Barton Jacobs.
