

To Dr. Flick from Dr. Jacobs.

Baltimore,
June 2, 1904.

Dear Dr. Flick:

Dr. Solomon Solis Cohen has suggested the verbal changes in our Constitution and By-laws which I have had embodied in the revised copy printed in red which is enclosed. I am sending it to you that you may compare it with the original copy, so that the Committee may determine to which to adhere.

It is such an important matter that the Board of Directors of the new Society should be composed of the right kind of men, that Dr. Osler has suggested that the Committee meet at five o'clock on the afternoon of June 6th in the Old Dutch Smoking Room near the billiard-room of the Brighton Hotel to decide about this and any other points that need discussion. If you cannot be present at this time and place, will you kindly let me hear from you.

Believe me,

Very sincerely yours,

Henry Barton Jacobs.
