

To Dr. Flick from W. O.

1 West Franklin St., Baltimore,  
March 7, 1904.

Dear Flick:

I think your suggestion is an excellent one. Could you fix the date as soon as possible? Then we could have the meeting in the afternoon on the day of the lecture. Do you think it would be better to have the meeting at the College? I think the hall would be too large altogether. Thanks for the list. We ought to have the dates within a few days so as to get out the circulars.

Sincerely yours,

W<sup>m</sup> Osler.
