

To W. O. from Dr. Flick.

~~1 West Franklin St.,~~ Baltimore,
March 10, 1904.

My dear Dr. Osler:

I will fix Monday the 28th of March for Maragliano's lecture, as this will give us a little more leaway to get our reprints in English. If you will fix the hour for the meeting at the College of Physicians I will at once engage the hall.

Yours truly,

Lawrence F. Flick.
