Two dining in college & Morley Helcher there: Review disappeared: he & Bob, etc.
 came in looking rather self-conscious: Bob said "has a wonderful way to tell
 you -" up of castle in Morway - flight of steps turning to left on sidebrook
 fishing tackle shop - one day there old man & travel shop - interesting - old man came in
 opened door & went up stairs - who is that - remarkable char. &
 wonderful collection of books - old man asked who R. was - asked R to
 go up - unless by old man - Italian furniture - wonderful collection of
 books - became great friends -

Just before mid at college - found letter from fishing tackle man saying
 old man had died - some books to be sold - a certain book to be
 left to the young man who comes to see me - going up the morning
 must get there quickly as Mogg's coming up Quarevel also - must hurry -

Friday O. got two papers about publishing with so soon - they said oh well ve.
 " " said write down immediately - R. for some time and said Oh & they
 for me it's all a hoax" Friday O. wrote - for them did about.

On changed vol thing - nothing in
 mention can love it.

The boys much embarrassed. His father had played him some bad tricks - (2)
Rover kept back. Rhod written and in antique hand - first
foolish Bob. E. at Ch. Ch. Mid on body O. Boy - did
not want to rise a 3rd time. P.P.O. insisted. W.O. Sir Walter
came in - Rover said then & told the whole story -

Glenn said Sir W^m will go to the boys - W.O. looked
at Rover very hard - He looked the paper - there was one
little fault he saw - got up just then on - went over
to Rover & said how about your damned little scandal
you've foisted your father - Rover & Bob read it.

Originally a letter on Bob.
