

Macoy's Annals of Bodleia 2nd Edⁿ - 1840
cf. under Parker

Ch. ch. of his own plan - W.D. should know how to do the recollections
around the Bodleian portrait - perfect arrangement

The Curators a self-perpetuating body ~~is~~

The Regent Prof of Med. is ex officio a Curator so the two offices

is joint. It was never done just in the Standing Committee date - ?

which must ^{run of the list} ~~copy~~ ^{of} ~~books~~ ^{of} ~~ballots~~ whenever possible despite multiplicity of
opponents - selected each year two, always reselected.

... 24 times after the Standing Comm^{ee} meets -

The Curators meet only twice a term. ^{proposed} No agenda passed out for the Curators
because the real fault is Standing Comm^{ee} of Convoc

Standing Committee vs. Curators

Jahn's Shakespeare Journal

cf. Jahn's each day, focusing in the final sentence of
the Journal. (Jahn's Journal)

fills each day fills various various,
W.O., write letters

get W.O., letters to the Jahn's

See Mordant's notes (ie Annals) in the ^{nos of the} Bodleian Record which
was in brief Mordant attempts to carry on acct. of Sibson
to supplement the last vol of Macrae's. publ in Vol II

These are special material
Annals Vol II for
English school for
Walter by Mother to
buy at Midway

The upper Ready Run is the Cecil Barnes gift - we must need to do it.

The Underground Bookstore Yes

The Subway - Yes.

The B.G.P. was almost
entirely W's idea.

Madam B.G.P. contains the Annals of the Day ^{for the journey} ^{over}
we see my important opportunity to see themselves in June, Madison
to take the whole story, Cf. refs to this in B.G.P. Madison's grand record

"Inventive others of the idea is their project they were told to do.
We will know when the Jordan got to work

The old Borden Men of War's (Borden's) red in 1918
a record of the - first ~~to~~ left hand other right hand - organ -
Does not to be fixed in gallery of the gallery, a man that was -
Wagner's discolor of some gold from bottles - of 1890.
 $\frac{1}{4}$ time to right - $\frac{1}{4}$ time to left - then straight away so cannot
possibly be composed.

Made of one - organ man in England at Pelicans who have
page three of one.

Most different size columns - a miracle of persistence which
will last for ever. So also of the instruments. The
heart disguised by the size columns.

me
I was trustee of the Union Endowment Fund (used to meet ad Honor of
Soc. 9.30. sup - always on the)

This fund was started 1904-5 by (Lord St. John) Earl Bunsy or
Lord Curzon when he became chancellor.

His lordship's trustees were responsible for the purchase of 1/2 parcel
was spent on the ~~the~~ book store (formed a large general interest of log - used
for Hester's or).

Write Lord Curzon about the fact of the W.C.

What trustees can give but need - I think part
in it.

Can make the place 2/3 solid by studying the existing shelves units

They were
The ~~fund~~ and have and catalog - 12000 (?) high value volumes of geology - even modern cannot bear
to turn over cards - modern sup must better to fast in volume!
Sylvia's notebook - 6 cards everyone works the same drawer.
