Dear Dr. Osler:-

In confirmation of our conversation in the Automobile Club on May 8th I am setting down here what I understand to be our little arrangement in regard to the Spanish edition of your "Principles and Practice of Medicine".

It is understood and agreed between us that we are to pay you the sum of twenty pounds sterling (£20) on the day of publication of the Spanish edition in the United States for the right to publish and sell this Spanish edition in all countries.

This is merely a written statement of the arrangement which we made and I am asking you if you will be kind enough to endorse the copy of this letter, which I am enclosing, and send it back to me in order that we may have some little record of the agreement.

Sincerely yours,

President

Sir William Osler,
13 Norham Gardens,
Oxford, England.
