March 5th.

Dear Dr. Shastid

X
CUS417/34.21

Thanks for your Helmholtz's translation. I am so glad you have done this. He was a great man, one of the glories of the profession. The one vol. life which we issued from the Oxford press is the work I recommend (with Pasteur's life) to all medical students.

It is nice that you dedicated the translation to Wood.

Yours sincerely

W^m Osler
