

CUS417/34.30

(Typewritten)

(To A. R. Gunn, Esq., M.D.)

13, Norham Gardens, Oxford.
November 20

Dear Gunn:

I could give you a note to Keith who is a splendid man in every way. Stick to your eye work, though, closely; these biological problems are very seductive!"

I hope you will be better soon.

Sincerely yours,

W^m Osler.
