Dear Doctor Jacobi:-

Many thanks for your "Therapeutics of Infancy and Childhood". I shall find it a valuable storehouse of facts and a trusty friend in moments of doubt. I like the "dress" too, the form is most convenient. The Hun testimonial has been carved out. We placed the matter in the hand of Olcott, a personal friend of Hun, who has selected a nice bit of silver. Eightyone members subscribed \$350.

With best wishes for the New Year,

Sincerely yours,

Wm. Osler.
