Fred Johnson to Sir William Osler, Bart.
Regius Professor of Medicine.
31st May 1913.

12. Marlboro' Street,
Bath.

Dear Sir,

I am here for several days, probably until June 8th or 9th. If you should, after you have looked through the MS. note anything that requires further reference to the editions or the MSS., if you will let me know I shall be quite ready to refer to them again. I am not sure that I interpret your letter of the 28th instant correctly, but I am enclosing a memo. of the amount due to me as agreed.

Yours very truly,
Fred Johnson.

Sir William Osler, Bart.
Regius Professor of Medicine.
