Dear Doctor Cushing:

Enclosed I am  
sending you what material I have  
in response to your letter of April  
19th, asking for a copy of my arti-  
cle on William Osler, which appeared  
in Colorado Medicine, January, 1920.

Cordially yours

Edward Jackson

I got to know Osler in the Library  
of the College of Physicians of Philadelphia.  
We came to practice in Philadelphia  
about the same time, and found  
that library a great resource  
while waiting for practice. You have  
of course Rogers' address given in  
Drwa. It seems especially valuable
