SAVILE CLUB,
107, PICCADILLY, W.
London.

Dear Sir.

In reply to yr. letter of
Oct. 20th - received to-day - I
have pleasure in enclosing
a card with all the infor-
-ation I can give you
about the late Sir Wm
Osler. You will note
that he ^{was} ~~is~~ elected a member
of this Club in 1900 -
I do not know what you
mean by the term "Actual"
- "non-resident" member.

but I am probably supplying
the information required
when I say that he paid the
club subscription at the
then current rates for ordinary
members residing in England,
& was not included ~~on~~ the
list of members temporarily
residing abroad & paying a
reduced rate of subscription
during the period of such
foreign residence.

As the members are "resident" in
the sense that they actually
'reside' in the Club.

Trusting this information will
prove satisfactory,

I am, Sir, faithfully

H. Cushing
W.D.
Strong Zulfen
Secretary.
