Let me know if you ever see
an engr. of F. for sale.

up from J. J. J.

The Cloisters, Ewelme, Oxon.

Dear Brockbank

=FERRIAR, #4405-6. W.W.7

I have not the time to take up F. I have so many
things on hand. Your account is the best I have read. He interests
me greatly. Have you a copy of his "Illustrations of Sterns"? If
not I should like to send you one.

It was a great pleasure to meet you

Sincerely yours
