Dear Brockbank:

Harris is a great loss - what a sad business! and it seems so unnecessary. I always had a high appreciation of his work & he was a man I felt a desire to know much better. I will write to Mrs Harris.

The Ferrier is splendid - I am so much obliged. What a fine face. Have you his Illustrations of Sterne? I have a duplicate among my books (when I get them unpacked) which it would be a pleasure to send I should be delighted to go with you to W Leish some day & see his treasures. I am off to Aberdeen tomorrow for a week. Some time in October we might arrange it I could not get away to Toronto We have just got possession of a house & there is so much to alter that I could not leave. Do arrange to pay me a little visit before long - there is much here to interest you

Sincerely yours

W^m Osler
