Circular 22.

Local Tribunals.

Appeal Tribunals.

MINISTRY OF HEALTH,
Whitehall, S.W. 1.

25th September, 1919.

SIR,

I am directed by Dr. Addison to enclose a copy of a letter from the Prime Minister thanking the members and officials of Tribunals for the work which they have done. Dr. Addison requests that a copy of the letter may be given to each member and official of the Tribunal.

Dr. Addison wishes to add his appreciation of the services which have been rendered by the Tribunal. Though he was not at the Local Government Board during the time when the Tribunals were actively at work, he has had occasion in other connections to become acquainted with their services, and he realises the extreme difficulty of the task which they had to perform and the manner in which it has been accomplished.

With regard to the papers relating to cases which have been dealt with by Tribunals, it is necessary that they shall be preserved for the present.

Should a report have been prepared on the work of your Tribunal, and a copy has not yet been sent to this Department, Dr. Addison will be glad if a copy is forwarded to be placed on record.

I am, Sir,

Your obedient Servant,

I. G. GIBBON,

Assistant Secretary.

To the Clerk or Secretary
of the Tribunal.
