Dear Dr. Sa'eed,

Do let us see you again before long. I will let you know when I hear details from Hamardan about the repairs to the tomb. I think then it would be well if we had a little meeting and arranged a preliminary circular. In your photograph it looks as though a good deal of repair would be necessary.

I never wrote a pamphlet on the tyranny of custom. I enclose you a group of reprints.

Lady Osler was delighted with her present and sends you her warmest regards.

January 6th 1914.

Dr. Sa'eed
