

Dear Sir,

CUS417/39.53

I have written to Professor Margoliouth and will let you know. I should be glad to say something about him medically and speak of the suggestion to repair his tomb. Many thanks for the address. Do at any time please let me know of persons whom you think would be interested.

G. D. Turner Esq.,
2, The Abbey Garden,
Westminster.

May 12 1914.
