

CJ5417/39.65

Dear Chatard, I am waiting for the official permission which must be obtained from Persia. I will then send you the circulars and get you to insert it in the Journals.

So glad to hear the baby is thriving. It is very sad to hear of the death of dear old Norton who will be greatly missed. Revere got through his Christchurch examination all right.

Love to Mrs. Chatard.

Dr. Chatard,
40, West Biddell St.
Baltimore.

June 3 1914.
