

CUS417/39.76

Dear Chatard,

That is a splendid photograph of the baby, and your wife looks so well.

I have got permission from the Persia Society and will get the circular ready very shortly. I would like to talk to you about it when I am out in September.

Noton's death was very sad. I was very much attached to him.

July 25 1914

Dr. J. A. Chatard,
40, West Biddle At.
Baltimore.
