(Letter from Mrs. Osler to  
M. H. Spielmann= handwriting)

Saturday

Dear Mr. Spielman

It was most kind of you to write and I feel I should have  
acknowledged your note at once but I have not had a moment.

Sir William has been better today & has <sup>cc</sup>snatched the enclosed to you. He  
is still far from well and has had a trying cough following influenza &  
pneumonia - I am still very anxious about him.

Very sincerely

Grace R. Osler.
