TORONTO

July 21st 1921

My dear Dr. Cordry,
The Dr. and I
I only returned home
yesterday after a
curious trip through
the mountains of three
weeks. And I must
give you a story of
my day in New York

Your note. I have
not been very successful
in my search, but I am
sending you plates
negative and a print
of the Breese Grammar
School taken from
a telescopic view.
And a few early photos
of some of Mr Williams
friends - I am

Paid this is all I can
do, much as I should
like to keep you -
These will be posted
almost immediately -
and should reach you
in a few days -

Wishing you every success
in your undertaking
Yrs. &c. Sincerely
Fannie Plummer.

Please keep the photos
to May as you wish
but I should like to
have them copied when
you have finished with
them. But do not
trouble to return the
glass negative -
