Dear Harvey:

This week the
Boards of Management
are asking you to
attend the unveiling
of memorial tablets
at the M.C.H. on Wed.
July 6. to W.O. Jack
McCrae Major Johnstone
If we are to have
the pleasure of seeing
you Grace I hope

very much that you
will come to us on
Wed. morning for
breakfast and put
up here for whatever
time you can remain.

I am hopeful that
Jou. W. C. will come
on from Philadelphia
to represent his family,
and Quincy & I thought
you could best represent
Aunt Grace, who passed
upon the drawing of
the tablet to Dr. Oakes
last summer.

The Biography is
stupendous. May we
properly offer our congratula-
tions.

Yours sincerely
J. H. Orth.
