Dr. Harvey Cushing,  
Peter Bent Brigham Hospital,  
Boston, Mass.

Dear Harvey:

I have just gone over my copy of Dr. Osler's Life, and I should like to be one of those who congratulate you on this splendid work. It is certainly the most thorough and delightful biography ever written, and I feel that everyone of his old students owe you a great deal.

With kindest regards,

Very sincerely,

*John Staige Davis*
