Dr. Thomas McCrae,
1929 Spruce Street,
Philadelphia, Pa.

Dear Doctor McCrae:

I can't tell you how much I appreciate your sending me that book. It is an altogether delightful book. It is another indication of what I have maintained for years that Cushing is one of the most remarkable mentalities in the medical profession. I have often felt proud to know him, and I feel prouder now. He has given a sympathetic and beautiful picture of that great man, Osler.

Sincerely and cordially yours,

J. Chalmers Da Costa
