June 5, 1925.

Harvey Cushing, M.D.  
Peter Brent Brigham Hospital,  
Boston, Mass.

Dear Dr. Cushing:

I wish to be one more to congratulate you on your wonderful biography of Sir Wm. Osler. I have just completed reading it and I cannot begin to tell you how I appreciated it. It is a masterpiece. I believe that you have done a real service for the medical profession of the world and that you should be proud of your accomplishment. Do not trouble to answer this.

Faternally yours,

*Arthur Pearman*
