

Dark Harbor Me.

June 28 '25

Dear Cushing,

You made no mistake in
 Entusting the B. M. S. review of
 Barrage - I've just read it and am
 writing him a line of congratulation.

My limited space forced me to deal
 very cursorily with your share in the
 Opus Magnum - Sansoni's review is
 also first-rate.

You know the Cassini also & having
 one - perhaps, the Sansoni bonus,
 perhaps. But you know also the Magnum
 bonus of appreciation by others

But what with the long hot
summer after years of the vicissitudes
of cold?

Just now I stuck up about
a spike in the opinion, not always
that of the long form, &

Yours sincerely

F. D. Shattuck
