Dear Mr. Perkins.

We had a wonderful
day with Dr. Francis at
Repton today. Lady Osler
was in Holland. She
saw the books & the
page of the estate of Dr.
Francis was most kind
to us.

We find everyone over
here has read your
Osl - are greatly
pleased with it.

So far we have made us
green birds in needed
birds except to turn
up the other 2 volumes
of the 1552 Hsaki's
1600. which Mrs
Cramer thinks worth the
trip. Hope for better
luck in Germany
Austria - Italy.

Sincerely
Henry Cramer
