Dear Harry,

I am reading
your book, and I think
it is the very best biog-
raphy I have ever
had the good luck to

encounter, I love every
word, even the many
I don't understand. I
hope you won't despise
this tribute from the
unlettered!

I saw Barbara
at Little Brans Head a

week ago & she gave
me the news of your
scattered family. I
shall hope to see Kate
next month.

As ever yours
Helena Clegg
