Dear Dr. Cushing:

you herewith copies of the reviews you wanted as follows:

Montreal, Canada, Gazette	May 23, 1925.
Toronto, Canada, Globe	May 30, 1925
Review of Reviews	June-1925
Grand Rapids Herald	June 7, 1925
Erie, Pa, Times	June 6, 1925.
St. Louis Globe-Democrat	May 23, 1925
Southern Medical Journal	June, 1925
Indianapolis Star	May 20, 1925
Columbus, Ohio, Dispatch	May 20, 1925
Los Angeles Times	May 24, 1925
Minneapolis Evening Tribune	June 8, 1925.
Journal of American Medical Ass'n.	July 4, 1925
Johns Hopkins Hospital Bulletin	June, 1925.

In future we will send you copies of all reviews
as they appear. We shall of course make good use of the
reviews in the Forum, Landmark and Atlantic. You will pro-
bably be interested to see the enclosed copy of our Bulletin
of New Publications, giving quotations from a number of re-
views.

The demand for the book is still strong- Brentano's
bought another fifty copies today- and we confidently expect
the sales to keep up through the Christmas holidays. It is
a big book in more senses than one, and we do not intend to
let the interest flag.

You will no doubt be interested to see the enclosed
clipping from last week's Saturday Review of Literature.

Very truly yours,
