DIMOCK P. O.
SUSQUEHANNA CO., PA.

My dear Curling:

What a debt
we all owe you - his
family, his friends and
the medical world at
large.

What a labor it must
have been but what a
"Rise" you have portrayed.

It is a magnificent
tribute, splendidly rendered.

Ready better must be
so happy our lot.

Congratulations, and
thanks for what you
have accomplished.

Most sincerely

Cyrl W. Davis
