My dear Dr. Glagier

Your book about

letters of Mr. Johnson's

I do not think we

have any - We have

three prints of the

Old house, Vestry and
Church, They are at
present locked away
and the house is
empty. After the
15th of September
you can have them
up that will do.
At present I do not
expect to be in Toronto

before that date -
- If I should be I will
bring you up -

You kindly enquire
if we have received
a copy of Sir William
Coles's life - no but I
am still hoping for
it - as Dr. Freshfield
promised to send it

to me also to Arthur
his address is

43 Rue de Bellechasse

Paris

The Evincas up it have
been very complicated

With kind regards

Sincerely y^rs

M. Deles Johnson
