Dear Dr. Barker,

Many thanks
for the reprints just
recd. I have read the
review of "Osler" and
think it very fine. I
am just reading the
original I am over-
come with admiration
not only of Osler but
of Cushing. How the
latter ever managed
to get time to do that

monumental work,
I do not understand.
The other two reprints
I hope to read tonight.
Many thanks.

Cordially,
A. M. Williams.
