306 Osler. — Harvey Cushing, The Life of Sir William Osler.
Oxford, 1925. 2 vols. W. 44 ills. Cloth. f 22.50

*Osler's life is a part of the history of three countries — Canada, the
United States, and Great Britain.

I wrote to Dr. Withington about the 'daughter
of Hippocrates' — telling him not to answer me if
you had written. Last night K. and I went to
the Anderson Galleries & saw the Gutenberg Bible
sold for \$106,000.00! Love
