Dear Harvey

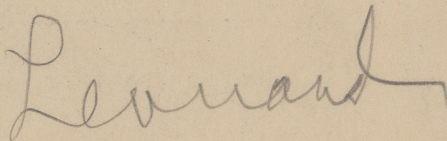

March 31st

Many thanks for your very kind letter.

I am indeed very ver~~y~~ sorry that my notes on your  
OSLER came apparently too late for the 4th printing;  
but please send over any of them that are worth while  
& probabl~~y~~y they can be noted in Addenda at least.  
It is worth trying, anyhow.

Yours ever,

LEONARD L. MACKALL

SAVANNAH, GA.

Of course I quite agree with you about the  
4 Mark piece reference.
