She is at a girls' camp there. Send her
the souvenir there. It will thrill her to
show it to the other girls. The

first we had to your house bore fruit
for my book the other day - I dragged
Dr. Henry Cushing to read the rough
draft of a chapter on General Gorges.

By the way Dr. Cushing's book on Osler
is a real triumph. Both Marie and

I read it line by line. Cushing is certain

to get the Pulitzer prize for the best

biography of the year. If he does not

I shall let ~~it~~ out a yell in print

about the judges. I marvel at -

among other things - the industry of it.
