December 7, 1925.

Dr. Harvey Cushing,
Peter Bent Brigham Hospital,
721 Huntington Avenue, Boston, Mass.

Dear Dr. Cushing:

Replying to your letter of December 4,
we are now selling the third impression of the
Osler, and last week I cabled our London house
for an additional 1000 copies, which makes the
tenth thousand we have ordered so far. The demand
is still very strong and we expect to sell many
more.

I am enclosing herewith a clipping of
Professor William Lyons Phelps' article in the
Christmas Number of Scribners which will no doubt
amuse you, if you have not already seen it.

Dr. Joseph Collins in his new book "The
^{Looks at} Doctor of Literature" devotes considerable space
to the Osler Biography, but no doubt you already
know of this.

Yours very truly,
