My dear Dr. Cushing -

Lady Arler has sent
me a copy of the "Life"
and I am charmed
with it. I do not be-
lieve it could have been
better done. I am deep
in it and read the
first night until after
two o'clock. It is filled
with old friends and

I am having a wonderful
time with them. It is an
enormous piece of work
and I marvel at your
having been able to finish
it so quickly. I have en-
vied your secretary her
part in the preparation of
it. We are all grateful
to you for bringing out
these most satisfying
volumes - and making
it possible for us to have
the dear Chief with us all
the time - He seems very

much alive in the "Life".

With kindest regards
to Mrs. Cushing and to
you - I am -

yours sincerely -
"Hump"

(Miss Hampton

who wrote - according to
L. O. - the last book. She
short-handed or typed it.
